LITERATURE REPORT

MAY 18, 2020

1. All orders will be filled this week and any back orders from April will also be filled.

2. I would like to know if there is a reason that Literature does not have a bank account set up and has to co-mingle money within one's own account.

3. If you have a back order that in before April 2020 please send me the yellow page on the order form to tamara.shaverins@gmail.com. That way I can go back through the orders to see what has happened and how I can fix it.

4. I will have the yearend ready for all meetings next month.
