 - e. The hours open are listed there.

2. Donna and I spoke via phone regarding the orders and how to split them up so that the live meetings can get their orders filled. Donna and I agree that the best way to place an order is to follow the steps above to place an order. We understand that this may be an inconvenience for some. It is the safest way during these times we are in.

3. I still have several orders at my home that I have called the GSRs that are on the order form and need to know what to do with all of the literature. I would like to get this to the Meetings that they belong to. They are not my responsibility.
