

## **March 2021 – IEFA Virtual Meetings Report**

Paul Foley IEFA Virtual Meetings Coordinator

### **Zoom Platform Meetings**

Met with Teresa S on 2-28-2021 to prepare for the follow up Sanitized Coordinators meeting at 4PM to determine the status of the 3 remaining zoom meetings under the Sanitized umbrella. A vote was taken at each meeting earlier this week on whether they would remain together or split of to follow the tradition on meeting anonymity. The votes were held and these three meeting will separate from each other and become their own meeting immediately. They will create their own name, format, and trusted servant structure. For now Attendance cards will still be sent to the Sanitizedattendance email address. Each meeting will create their own google drive to store documents individually. I will work with Teresa K on any issues that arise during this separation. I will also work with Area Chair Dennise K so that I am trained on the google drive system we use to keep documents pertaining to each meetings. And they will be renaming them and letting us know who the new GSRs will be. The 12PM & 7PM meetings of Sanitized have broken off to form their own meetings. Paul F continues to host and Co-host on the AITA and the Just For Today Sanitized platforms to keep myself current and active in meetings and their formats. I can see that there is a definite correlation in answering the hotline phone and newcomers coming into our virtual meetings platforms. The noon Sanitized meeting has been renamed High Noon Recovery. The new GSR for that meeting is Jasmine M. The 7PM Sanitized meeting was renamed to H.O.P.E.

I will be conducting a Zoom 101 training class for anyone who want to learn how to use Zoom to join into our Virtual Meetings. This will be held the Saturday after area on March 27 at 130PM on the AITA code.
