- Discussion on the Noon and 7pm Sanitized groups. Paul F to assist in organizing these meetings.
- Open discussion on 7th Tradition: It has been observed that a disconnect has developed in the gathering and forwarding of 7th tradition funds at many face to face meetings. Several meetings have been observed to have very large 7th tradition holdings. This creates several concerns. Some suggested solutions: We could show up to these meetings and offer education. We could set up a Zoom meeting for all GSR's to offer this same education, on the purpose of the 7th tradition and importance of sending it on as opposed to holding it. It is decided to obtain a list of active meetings from Vice-Chair and begin attending the meetings.
- Announce an Upcoming Zoom Learning Day
