Summary

This committee will strive to provide a safe environment for the *LGBTQ suffering addict* to attend, and an opportunity to be introduced to regional/area service by mentors that are their peers, giving them a foundation for future service positions.

Maintaining an atmosphere of recovery for all addicts. The LGBTQC will serve to encourage addicts to get involved in their recovery, to care about others and themselves by providing services to the fellowship. By setting an example, the trusted servants of the (LGBTQC) will show new addicts that being of service and giving back is part of how we stay clean.

We will participate in outreach work in our communities to plant seeds of recovery in the still suffering addicts and let them know that everyone is welcome to find recovery in NA. We will work towards breaking the barriers created by societal views toward the LGBTQ population or any suffering addicts.

****In the "Committee Liaisons" section, we will have members in service to report as a link between Areas and Regions, to better serve our LGBTQ community. There are not enough meetings nor enough support, many members have fallen off because of this.**
