

# May 2022 Regional Conference Meeting Report

## 2022 Interim WSC ([www.na.org/conference](http://www.na.org/conference))

- • Interim World Service Conference 2022 — 22, 23, 29, and 30 April 2022 — “Motion List with Results” can be found on [na.org/conference](http://na.org/conference)
  - • All motions passed or Carried with Consensus Support
    - • SPAD is approved — working on book creation which will take about six months. In the meantime, NAWS is working on an email subscription, like the Just for Today daily email.
  - • Discussion on new ideas for fellowship development — feedback from small groups going to form webinar on 9 July 2022
  - • Future of the WSC — recommendation for 3-year cycle from World Board followed by small and large group discussion from the whole body — see recommendation on [www.na.org/conference](http://www.na.org/conference) “Future of WSC April 2022 Report to CPs”
    - • Topics included how long the cycle, what business should be done in person and virtual meetings between in-person meetings, and who should attend
- • Regional and zonal motions deadline for 2023 — motions must be received by 1 August and be in CAR-ready form by 30 August 2022

## NAWS Updates

- • The Loner IP Revision Survey until August — [www.na.org/survey](http://www.na.org/survey)
- • Price increases to literature effective 1 January 2023 — notice on [www.na.org/webstore](http://www.na.org/webstore)
- • DRT/MAT Survey available until the end of November for feedback on literature — [www.na.org/survey](http://www.na.org/survey)
- • The 60th Anniversary White Book is available for sale. This special edition collects English translations of all 85 stories in the 13 language versions with local personal stories plus the eight stories in the English Little White Book. Can purchase item #1501 for \$15 at [www.na.org/webstore](http://www.na.org/webstore)
- • Lawsuit in CA — Judge's decision on the appeal of the lawsuit brought by the group of individuals calling themselves the Autonomous Region. The judge ruled in NAWS's favor and upheld the original decision. We have posted the ruling, which closes this case, to the FIPT page — [www.na.org/fipt](http://www.na.org/fipt)
