

SBTW Report 2-16-25

When requesting literature please send request to both emails

Todayna.org and sbtwsocallitco@gmail.com

When writing sponsees please write the exact address they sent you. Every little bit of information they have on the envelope has to be the same or it will take longer for the mail to get to them.

If you have not heard from your sponsee you can use the CDC locator type in their information. This will let you know if they are still incarcerated or released.

Literature person recieved two requests from new sponsees, it takes one month to fill the Literature requests.

We now have two new sponsors Dean from the greater LA area and our own Dennis R

Yay!!

I have two new people who are interested in becoming a sponsor.

SBTW will be getting in touch with H&I asking them to please announce SBTWs when they do a panel. This will get the ball rolling faster for the people who are interested.

I have been announcing SBTW at the meetings I attend, as a result we have two more individuals who are starting the process of becoming a sponsor.

Thank you for allowing me to be of service

Melissa S.
