

GSRs please discuss and vote on these at your business meeting. Return group collection sheet at next month area. RCM will tally and report our area vote by April 1st 2026. I also ask each GSR to ask their members to complete survey at na.org/survey. Current survey or more.

na.org/conference This website has the CAR and information should you wish to explore.

I would like to note that the theme for this CAR is “Our Common Welfare.”

The strength of our mutual commitment to NA creates the unity that binds us together

In spite of all that might divide us. The common welfare of NA depends on the continued growth and well-being of the fellowship in every corner of the world.

It Works: How and Why, Tradition One

Here is some information I have gathered from the CAR on each motion.

Motion 1: The revised IP #21, *Staying Clean in Isolation*, offers experience, strength, and hope from members isolated by distance, illness, caregiving, aging, and more --- and provides a wealth of resources, from online meetings to guidance at na.org. There are times when we need NA desperately, and it is just not possible to get to a meeting.

Motion 2: NA World Services has operated with a strategic plan for over 20 years. Creating and adopting the strategic plan collectively and collaboratively is part of a shift from a motion-driven service culture to one characterized by discussion and consensus-building. The magic of NA comes from our spiritual connection to one another. Planning our services supports our groups and frees them to set the stage for that magic.

Motion 3: The World Board is faced with ongoing challenges related to attendance and effective planning. One item where the World Board reached consensus was for each World Convention to be a revenue-neutral event. There was also agreement to schedule event every 5 years starting from 2028 where NA celebrates its 75th year anniversary!

Motion 4: Approving this motion would allow World Board to develop a project plan exploring practical, principled ways to make our Fellowship’s book length literature available through prison tablet systems. The WB believes this motion is unnecessary as they are already engaged in ongoing effort to make literature accessible while upholding self-support and integrity (FIPT).

Motion 5: This will not affect us in our meetings, only to aid conference participants to understand each other. There are over 300 CP this may be 55 different languages. The WB say Human interpreters, nearly always NA members, bring accuracy, cultural understanding, and a spiritual connection that technology cannot replicate. The word *replace* in this motion is not flexible.
