

## IEFA ACIVITIES COMMITTEE REPORT

4/16/2026

There were 4 of us in attendance, a huge indicator that we need more members.

We were able to celebrate 2 birthdays during the meeting.

We discussed the IEFA GOT TALENT activity we are holding in June. We were able to procure the church in Yucaipa where we hold our Holiday Feast. I am working on a flyer. We will need help from anyone with sound and logistics knowledge to set up music,dj,or lighting if needed.

We will also need a panel of unbiased judges to vote on the winning act. We are hoping to have 30 acts for the evening. There will be a \$20 entry fee for individuals or \$50 for a group act. It will be from 5-8 pm on June 27th.

We are asking that you have consideration for the crowd when you perform as we are trying to keep this a family activity. The first 30 people to respond will be the entertainers with a waiting list if any acts cancel before June.

We also met with Christine B from the Inland Empire Women's Retreat. We were asked to consider being a hosting subcommittee for any fund raisers in our area in support of the retreat. This was directed by the Board of Directors in our Region. We voted unanimously to support these activities.

In return they will provide us with updated reports and financial information.

As stated at the beginning of my report, we need members, we need fresh ideas and also are still in need of a vice chair. Thank you for allowing me to be of service.

Yours in service,

Monica
